

PROPERTY MANAGEMENT NOTIFICATION SYSTEM

ABOUT DIALMYCALLS

DialMyCalls is used by hundreds of property management companies, communities and neighborhoods around the country. With DialMyCalls you can easily send phone calls, text messages and/or emails in seconds to all your residents. It's entirely web-based with no equipment or hardware to purchase. Our services are available in the United States as well as Canada.

HOW CAN DIALMYCALLS BE USED?

DialMyCalls can be used by property management groups and communities for various notifications. Check out a few ways below in which you can utilize our mass notification system for your neighborhood(s):

- **Rent Reminders**
- **Neighborhood Alerts**
- **Special Event Reminders**
- **Tenant Notifications**
- **Emergency Notifications**
- **HOA Meeting Reminders**

ALL-IN-ONE SOLUTION

Our all-in-one property management notification system solution **costs as low as \$1.89 per door** and includes all of the following features:

- **Mass Notifications** - Send your residents automated notifications via phone call, text message and email broadcast.
- **2-Way Text Messaging** - Set up 1-on-1 conversations with your residents via text message with our 2-way texting platform.
- **Recurring Messages** - Schedule automated reminders to go out daily, weekly, monthly, or yearly.
- **Contact Labels** - Our new "contact labels" feature allows users of DialMyCalls to add multiple phone numbers and emails to a single contact.
